

Knutsford GROW

Registered Charity number: 1091285

We are a small, local, charitable organisation who've been helping people to look after their gardens for 20 years. Poor health or infirmity can quickly allow a pristine garden to revert to a jungle, bringing added stress when finances may be already stretched. We aim to put smiles on the faces of our beneficiaries by the application of a little hard work.

Knutsford GROW is supported by volunteers
